Turn AI demand into new revenue

1. **Say yes to more opportunities:** offer Agentforce to existing clients.
2. **We help you win:** discovery, live demos, design and proposals.
3. **Your clients stay yours:** your brand and commercial control.
4. **Proven expertise:** 50 agents designed, 12 live, 30+ certifications.
5. **We deliver everything:** build, integrations, deployment, support.
6. **You earn more:** white-label margins or referral commissions.

Have a client exploring AI? Bring us the opportunity. We'll help you turn it into a deal.

White-label: who does what

	YOUR FIRM	SYNCONAI
Client relationship	**Owns it**	**Works behind you**
Brand the client sees	**Yours**	**None, we are your team**
Contract and billing	**Bills the client**	**Bills your firm**
Delivery	**Account lead**	**Design, build, support**

Products you can offer your clients

L2D Lead to Deal
FREE ON AGENTEXCHANGE

For clients on Sales Cloud. A free package you can deploy that puts Agentforce to work on three jobs: lead triage, meeting prep and pipeline hygiene.
synconai.com/lead-to-deal

Specular
AI CUSTOMER WORKSPACE

For clients who need AI customer conversations. AI agents by chat and voice that answer from the client's own pages, book real free times and hand over, with inbox, help desk and CRM. Plans and prices at hispecular.com/pricing.

CALL TO ACTION

More revenue from the clients you already have

Your existing Salesforce and Slack customers are your biggest opportunity. We help you turn their AI ambitions into real projects and new revenue.

- **Unlock new opportunities:** identify valuable AI use cases within your existing customer accounts.
- **Win bigger deals:** bring specialist Agentforce expertise into proposals and client conversations.
- **Expand your services:** offer enterprise AI solutions without investing in a dedicated AI team.
- **Build recurring revenue:** create opportunities for ongoing enhancements, support and new AI projects.

Bring us your next AI opportunity. We'll help you win it.
